RAILS MANIFEST MOST FIRM TONE

Were the Only Feature in Deals of Stock Exchange That Withstood General Pressure.

New York, May 9.—Rails were the only stocks to manifest marked resistance to general pressure in the stock market today. Union Pacific made an extreme rise of 2 1/2 points on persistent reports of a forthcoming "extra" dividend and New York Central's strength proceeded from similar causes. Crucible Steel and Baldwin Locomotive were not susceptible to bear attacks but maintained as a whole steady. Motors added to yesterday's gains, together with United States Rubber but reactions soon occurred in that group. Mexicans made further recessions on news that the militia of border states had been called out to patrol the frontier. At noon price changes showed greater uncertainty. Bonds were lower.

FORCAST PROVES BEARISH FACTOR

Predictions of Rain in the Wheat Belt Where It is Excessively Dry Bring Declines.

Chicago, May 9.—Predictions of showers in the southwest where there have been complaints that the soil was excessively dry and the crops badly in need of rain, put the wheat market today on the downgrade. The government crop report was forgotten, having ranged from the same as yesterday's finish to be higher with May at 1.14 1/4 and July at 1.15 1/4 to 1.16, were followed by a decided general setback, from which there was only a moderate reaction.

Later, the market tended to advance owing to the serious nature of south-western crop damage reports caused by drought, heat and insects. Prices closed steady, 1/4 to 1/2 net higher, with May at 1.14 1/4 and July at 1.16 1/4.

Corn swayed with wheat. After opening 1/4 to 1/2 higher, prices dropped to well below yesterday's finish.

The government report on hay stocks was construed as a bearish factor as to corn. The close was steady at 1/4 to 1/2 net decline.

Oats trade was light. Provisions were neglected.

C. W. Carey, the Chicago detective, left for that city Monday after a short visit at Aledo with his wife's parents, M. and Mrs. Peter Dahl.

Mrs. Steven Murphy of Shale City had a slight operation performed when she had her tonsils removed by a local physician. Mrs. Murphy had suffered from diseased tonsils since her youth and feels much relieved by their absence.

County Court Convened.

Mercer county court convened yesterday. Owing to the fact that the jury will not be sitting until the coming Monday little was accomplished yesterday. Judge F. L. Church merely listened to some motions brought up by attorneys. The Barr-O'Leary liquor case will probably be the first to come before the judge when the jury reports Monday.

West Building Work Retarded.

Work on the West building has been greatly retarded owing to the rainy weather of the past two weeks. Little has been accomplished on the structure since the foundation was completed. With favorable weather work could progress more rapidly in the future.

Raymond Lyon, nee Oral P. Read, 2336 Romeo street, Los Angeles, Easter Sunday at 5:35 p. m., after an illness of eight months. Mrs. Read was born in Ohio in 1847. She made her home in Davenport for 20 years, residing at 1040 Tremont avenue, removing from this city to Chicago—where Mr. Read died—and from there went to Los Angeles to make her home with her daughter, Mrs. L. Homer Lyke.

Two daughters survive. Mrs. Oral P. Read and Miss Anna Ethel Read, who is a teacher in voice in Tacoma, Wash. Mrs. Read was a member of the Christian church while in Davenport. Interment was in Los Angeles.

At St. Luke's hospital C. J. Swan passed away. He has resided in Davenport for the past 14 years and was 59 years of age at the time of his death. His parents in New York City, and the following brothers and sisters survive: George W. of St. Paul, Frank H. of Council Bluffs, Mrs. C. D. Adams and Mrs. M. E. Swan of this city, Mrs. O. A. Terry of Rome N. Y., and Miss Isabelle T. Swan of Ithaca, N. Y.

The death of Walter Bembek occurred at Mercy hospital as the result of an attack of pneumonia. He was born at Rosebud, Pa., March 25, 1900. In 1910 he came to Clinton with his parents and two years later removed to Davenport.

He was in attendance at the Tyler school where his ability as a student was proven by the fact that he was one of five in the class of 1916 to win a medal. He is survived by his parents, Mr. and Mrs. Gottlieb Bembek and eight brothers and sisters. He was a dutiful son, faithful to everything he undertook and was loved by all who knew him. He was a member of the Presbyterian Sabbath school and was a Boy Scout.

One of Davenport's well known pioneers, William Parmele, passed away Saturday in Chicago where he was residing with his son, William Parmele came to Davenport in 1838 and made his home on the Utica Ridge road. When the Civil war broke out he joined Company D, 29th Iowa, and served all through the war. He had a wide acquaintance in Davenport and was at one time president of the Scott County Pioneer association. He was 82 years of age at the time of death and is survived by two sons, William and David, of Chicago.

Pupils in Final Exam.

Two hundred pupils of the rural schools of Scott county are now taking their eighth grade final examinations. The tests are in 11 subjects. Diplomas will be presented to most of the pupils at township picnics. The dates of these are as follows: Buffalo township, May 27; Cleona, May 16; Davenport, May 26; Hickory Grove, May 24; Le Claire, May 25; Liberty, May 29; Lincoln, June 1; Sheridan, June 23.

Mercer County Track Meet May 20.

The 11th annual track meet for Mercer county schools will be held here May 20. This is an important event for Aledo and community and a day of literary, musical and track events has been planned. Large crowds of visitors from Viola, Matherville, Seaton, Keithsburg, New Boston and Joy, the visiting schools, are promised for that day. As heretofore, the musical and literary contests will be held in the opera house in the morning. The track events will take place on the local college field beginning at 1:30 p. m. In order to supply future stars for the meets a number of grade events have been arranged, to be held for the first time this year. These are a 50-yard dash, 100-yard dash, pole vault, high jump, running broad jump, and 220-yard run.

Do Best at Galesburg.

The Aledo high school athletes were not nearly so fortunate in the western Illinois high school meet held at Monmouth Saturday as were they in the military track meet held at Galesburg the day before. At Galesburg the local school landed in first place, while at Monmouth it could succeed in placing no higher than sixth. The fact that the Aledo high team finished second in the relay race speaks well for the ability of that team. They were beaten only four-fifths of a second by the Kewanee relay team.

Clubs to Stardom in Less Than Year.

Doris Kenyon, the pretty ingenue, has been before the public less than a year, yet is to be starred in a forthcoming World picture. Miss Kenyon was rehearsing at her music teacher's studio one morning when Victor Herbert arrived. He was struck by the beauty of her tones and immediately engaged her for an important singing part in his opera, "Princess Pat," in which production she made a most favorable impression. Maurice Tourneur, the noted director, was so impressed by her appearance on the stage that he sent his card to her and, after a five-minute talk, engaged her for his stock company. Miss Kenyon is just now appearing with Clara Kimball Young in "The Feast of Life," and is working on a play in which she is to be starred. She is but 18 years of age, has been studying voice culture for three years, and now earns \$200 a week in the movies, with the most glowing prospects imaginable.

When D. W. Griffith's play, "The Birth of a Nation," was shown at the Drury Lane theatre, London, not long ago at a special matinee for the benefit of the women war workers fund, royalty attended. Queen Mary with Queen Alexandra and Princesses Victoria and Mary and the Princes Henry and George were there.

King Baggot and the Imp-Universal company are in Savannah doing a number of scenes for a five-reel production, "Half a Rogue," based on the novel by Harold McGrath.

of sending a few hundred men any great distance into Mexico because of the impossibility of supporting a long line of communication.

Reinforcements on Way.

Marathon, Tex., May 9.—One hundred and twenty cavalrymen of troops F and H of the 14th cavalry and a machine gun troop clattered away toward the Mexican border just after sunrise this morning, to reinforce the two troops of cavalry that moved forward yesterday from a new army base here to Glenn Springs.

The two troops that went southward today were under the command of Colonel Frederick W. Sibley, who will be in charge of all the American forces now moving on Glenn Springs and Boquillas. Officers here do not believe any punitive expedition will be sent into Mexico.

Cowmen returning from the Big Bend country assert with positiveness that there are many bands of Villa followers awaiting an opportunity to ford the Rio Grande and make other attacks on lonely American homes and ranches.
